## PENTECOST

Today we celebrate the gift of the Holy Spirit, the birth of the Church and the beginning of its mission in the world. Pentecost Sunday reminds us that our lives are filled with the Holy Spirit and God has accomplished creative things in us through this gift. We have been entrusted with this great gift of the Holy Spirit. Now is a good time to ask: Are we being good stewards of this gift? What creative things have we done to glorify God's accomplishments in us?

---

### DID YOU KNOW ?

Pentecost is the feast of the universal Church which commemorates the Descent of the Holy Spirit upon the Apostles, fifty days after the Resurrection of Jesus. That is why Pentecost is often called "the birthday of the Church." On Pentecost Sunday, with the descent of the Holy Spirit, Christ's mission is completed, and the New Covenant is inaugurated.

## REVISED

# Marriage Rite

## WHAT'S NEW?

1. The engaged couple should contact the priest and parish at least 6 months prior to their desired wedding date.
2. Weddings during the Sunday Mass are legitimate and encouraged.
3. Regarding the selection of chants, music (sung and instrumental) should be appropriate and should express the faith of the Church, with attention paid to the importance of the Responsorial Psalm within the Liturgy of the Word.
4. An entrance chant (hymn, song, refrain) is prescribed; this may take place after the procession.
5. All music in the church building must be sacred music, including preludes; no ballads, pop, country, etc.
6. The dress code for a wedding ceremony is semi-formal to formal. Men should wear a suit or a shirt, tie and pants. Jeans are not allowed for the ceremony. Women should wear dresses, skirts or dress slacks.
7. The entrance procession should, if possible, include a crossbearer to help set a sacred tone for the ceremony.
8. The entrance procession should never include children being pulled in a wagon; if a child is not old enough to walk unassisted, they are not old enough for the procession.
9. For the entrance procession, the assembly should either stand when the celebrant and ministers enter and remain standing for the wedding party, or remain seated until all ministers and wedding party have processed in, and then stand for the entrance chant.
10. The processional music should be the same for everyone in the procession. There should be no change of music for the bride.
11. The following are good options for the order of the procession: after seating of any grandparents/parents, the ministers process in, then the wedding party; then:
  - a. Bride and groom together
  - b. Groom with parents; bride with parents
  - c. Groom then bride (with father)
12. The bride and groom should stand, sit and kneel together with the assembly.
13. The couple should be encouraged to see the acclamation after the Reception of Consent. The option of a hymn or canticle of praise after the blessing and giving of rings is now taking place of the unity candle, it should be encouraged to be used as part of the grace before the meal at the reception after the wedding.
14. There may not be a "song of peace" as part of the Sign of Peace and before the Lamb of God.
15. If the couple desire to take flowers to Mary, this may be done either after the distribution of Holy Communion (the meditation hymn after Communion) or after the Prayer after Communion, while all remain standing.
