ELEVENTH SUNDAY IN ORDINARY TIME

In today's Gospel, Jesus compares the beginning of God's kingdom to a mustard seed. This tiny seed, which fits in the palm of a hand, can grow to fifteen feet with sprawling branches! Like the mustard seed, the Christian community had a tiny, seemingly insignificant beginning. The church, which began with about 120 followers, added three thousand people on Pentecost Day following the descent of the Holy Spirit. Since then, the number of Christ's disciples has grown incalculably and continues to grow throughout the world. Good stewards go about God's business of "planting seeds" among all those whom they encounter. What will we do this week to add to God's kingdom?

HAPPY 44th BIRTHDAY ON JUNE 19 FATHER JOBY!
