TWENTIETH SUNDAY IN ORDINARY TIME

Jesus announces that he is the “living bread.” And we understand that the Eucharist is the center of our life in faith: in our families, parish, local church and throughout the world. We are the stewards of Christ’s life in the Eucharist. We are called to put the Eucharist into action. How do we do that? St. Paul enjoins us to be always grateful, to worship, to try to understand the will of the Lord and to watch carefully how we live. What are some of the ways we can put the Eucharist into action this week?

Bishop McKnight’s August prayer intention for our Local Church is “May the beginning of another school year be a moment of grace for students, teachers, administrators, parents, and supporting parishes and communities to grow in knowledge of all that God provides for our good and the good of all.”
