THIRD SUNDAY OF LENT

God calls Moses from a place of awe and reverence to go out and be a voice for God to the Israelites. After encountering God in the burning bush, Moses returns to face Pharaoh and lead the Israelites out of Egypt, He acts on God's call. So too does God call on each of us from a place of awe to a place of action. Our reverence for creation must propel us into active care for it.

The United States Conference of Catholic Bishops Charter for the Protection of Children and Young People requires that all employees and volunteers in a parish be trained and screened if they have contact with or minister to children. The **VIRTUS** program was developed by the Catholic Council of Bishops to ensure safe environments for children and youth in all parishes, schools and diocesan programs. The training educates clergy, staff and volunteers on how to create safe environments for children. **In our Parishes** that means that everyone who works at a Knights of Columbus breakfast/supper, St. Anthony Spring or Fall Festival or volunteers as a lector or communion minister must complete a onetime training. Included in this bulletin are instructions on how to receive this training online. A more detailed handout with screen shots of what each page of the process looks like is on the web pages. If needed, we will schedule in person trainings. The Parish staff, CCD teachers and anyone who has chaperoned NCYC have been receiving this training for many years. The expectation is that 100% of adults will be trained. If you are in need of help or have further questions please contact Ann at 573-291-6638, stanthonypaduachurch@hotmail.com or stlawrencegridiron@hotmail.com.
